A photographic collection of the most glorious avian oddities from around the world.

A visual guide to the most eccentric creatures of the skies, *Feathered Freaks* captures the most bizarre and beautiful feathered friends from across the globe.

From the jaw-dropping red throat of the magnificent frigatebird to the peculiar plumage of the flightless southern cassowary, these pages are filled with truly ridiculous birds that will turn any frown upside down.

Declan Peckman is a devoted twitch and author who loves bizarre birds.
