**NEW TITLES JANUARY-JUNE 2023
& COMPLETE BACKLIST**

Welcome to a new year and a new season of wonderful books from B.T. Batsford and Pitkin.

We kick off this catalogue with Christopher Beanlands's *City Parks* – a timely celebration of the vital green spaces that have become such a valued part of our modern cityscapes. Indeed, nature and the outdoors are recurrent themes in our Spring season catalogue, whether it's celebrating nature's beauty in poems, examining the perennial fascination and rewards of gardening, or providing a charming insight into the hidden world of bees and bugs.

There remains plenty for those who would rather cosy up with a good book at home. Joining our global best-seller, Millie Marotta, on our roster of world-leading colouring books is a new name with which to conjure – Maggie Magoo – who brings you a wondrous alphabet to colour. And of course, there is a broad choice of practical craft and art books to inspire and delight.

From Pitkin – a celebrated publisher of royal books for 75 years – we have two fine additions to our tradition of Royal books. A loving commemoration of the life and legacy of Queen Elizabeth II, and an illustrated biography of our new king, Charles III.

And of course, our long and rich backlist rounds out the closing pages. Having completed our new sales and distribution transition, all these titles can be sourced from our distributor MDL and any sales enquiries should be directed to our new friends and colleagues at Abrams & Chronicle Books. Contact details can be found at the end of this catalogue.

I hope you enjoy everything our new programme has to offer.
