WAR BY LOUIS-FERDINAND CELINE

TRANSLATION BY SANDER BERG

First Ever English Translation of an unpublished work by the author of *Journey to the End of the Night*

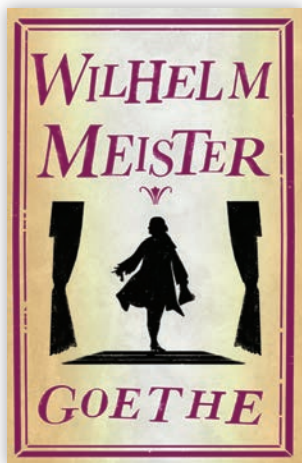

A powerfully vivid, unflinching, darkly comical exploration of the physical and mental trauma of the Western Front, which provides a fascinating missing link in the writing career of one of the greatest – and most controversial – authors of the twentieth century.

Seduced by the thought of becoming a successful dramatist, the merchant's son Wilhelm Meister embarks on a tumultuous quest of self-discovery. Along his path he must negotiate love and desire, and has to face up to his own past and responsibilities.

A landmark in the history of European literature, Goethe's novel is not only one of the key works of Weimar Classicism and the prototype for the *Bildungsroman* genre, but also a timeless tale of coming into one's own and a fascinating portrayal of the late-eighteenth-century theatre world.

SIMPLICIUS SIMPLICISSIMUS

By H.J.C. Grimmelshausen

Simplicius Simplicissimus – the towering achievement of H.J.C. von Grimmelshausen, one of the earliest novelists in the German language – charts the adventures of its hero, Simplicius, through the horrors of battle, murder, fire and famine, offering an invaluable eyewitness account of the Thirty Years War and showing how humanity can, in the end, triumph over brutality.

GREEN HENRY

By Gottfried Keller

Written between 1846 and 1855, Keller's poetic, semi-autobiographical novel draws on the author's own youth, artistic studies and development as a man, as well as providing a comprehensive portrait of his country and his times. *Green Henry* is one of the most important novels in European literature, and undoubtedly the greatest masterpiece of fiction by a Swiss writer.

THE LAST LETTERS OF JACOPO ORTIS

Ugo Foscolo

Said to be based on the tragic real-life story of the Italian student Girolamo Ortis, and suffused with the author's own experiences, *Last Letters of Jacopo Ortis* is a masterly prose work by one of Italy's most celebrated poets, and perhaps the greatest Italian novel of the Romantic period.

A HISTORICAL LIST CHAMPIONING SOME OF THE GREAT AVANT-GARDE WRITERS OF THE 20TH CENTURY AND INTRODUCING SOME OF THE BEST WRITING FROM EUROPE

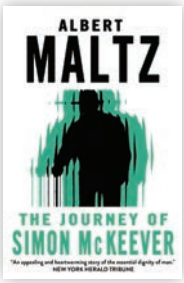

THE CROSS AND THE ARROW

Despite being decorated with a German Service Cross, Willi Wegler is inwardly sickened by both Hitler's genocidal war and the complicity of his fellow citizens in Third Reich brutalities. Wracked by guilt, he suddenly betrays his country in a profound gesture of protest and self-sacrifice: during the course of an air raid, he fashions an enormous arrow out of hay in an open field, then ignites it as a flaming signal to direct British bombers to the site of the factory where he works – an act that cannot fail to precipitate a series of dramatic events.

A book about the German resistance to the Nazi Regime. It was distributed to 150,000 American soldiers during WWII.

THE JOURNEY OF SIMON MCKEEVER

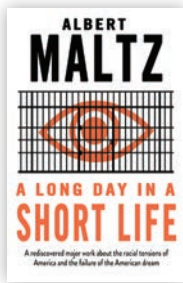

A captivating story of the road, *The Journey of Simon McKeever* recounts the odyssey of a 73-year-old runaway from a shabby state-run home for the elderly who hitchhikes from Sacramento to Los Angeles seeking a cure for his arthritis. Ultimately McKeever, a representative working-class American, finds something more precious than a medical miracle. He achieves an epiphany that will enable him to bequeath to humankind his hard-won personal truth and thereby “move the world one inch forward.”

Rediscovering ALBERT MALTZ

“An extraordinary find – an unjustly suppressed American voice of the highest calibre. A brilliant writer with razor-sharp powers of observation and a sparse, true-to-life style. Three more works by Maltz will be published in the next two years, including two unpublished novels” – *The Publisher*

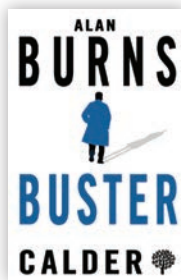

Four novels by one of the Hollywood Ten, who were blacklisted for their involvement with the Communist Party USA

THE STORY OF A SEAGULL AND THE CAT WHO TAUGHT HER TO FLY

Luis Sepúlveda

THE INTERNATIONAL BESTSELLER

A moving, uplifting and life-enhancing story with a strong environmental theme. This edition contains over 70 illustrations by prize-winning illustrator Satoshi Kitamura.

Caught up in an oil spill, a dying seagull scrambles ashore to lay her final egg and lands on a balcony, where she meets Zorba, a big black cat from the port of Hamburg. The cat promises the seagull to look after the egg, not to eat the chick once it's hatched and – most difficult of all – to teach the baby gull to fly. Will Zorba and his feline friends honour the promise and give Lucky, the adopted little seagull, the strength to discover her true nature?

THE STORY OF A SNAIL WHO DISCOVERED THE IMPORTANCE OF BEING SLOW

Luis Sepúlveda's bestselling *The Story of a Snail Who Discovered the Importance of Being Slow* is a wonderful ode to diversity and unity, celebrating the importance of being slow in a world obsessed with speed.

Quest, a volume of seventeen stories aimed at children, will whisk you away from dark bedrooms to new dimensions and fantasy realms, via the Russian countryside and modern Rome.

Alma Junior's series of illustrated classics includes some of the greatest books ever written for younger readers, as well as new translations of unjustly neglected international works. Our aim is to give our list an international feel and offer young readers the opportunity to connect with other cultures and literatures – this applies not only to the titles we choose but also to the illustrators we commission – so that we can bring a bit of novelty into the canon of British children's literature. All Alma Junior Classics contain extra material for young readers, including a profile of the author, a section on the book, a list of characters, a glossary and a test-yourself quiz.

THE PETER RABBIT STORIES BY BEATRIX POTTER

WITH 80 COLOUR ILLUSTRATIONS BY ANNA CURREY

This collection brings together in a single volume the four books that feature the famous young rabbit with the blue jacket and a penchant for mischief and disobedience: *The Tale of Peter Rabbit*, *The Tale of Benjamin Bunny*, *The Tale of the Flopsy Bunnies* and *The Tale of Mr Tod*.

From Peter's early adventures in the kitchen garden of Mr McGregor to his late exploits in the rescue of his cousin Benjamin's baby bunnies, these stories show why Beatrix Potter remains one of the most beloved children's authors this country has ever produced.

PINOCCHIO BY CARLO COLLODI

NEW TRANSLATION BY STEPHEN PARKIN
AND ILLUSTRATIONS BY PETER BAILEY

The story of a naughty wooden puppet who has a penchant for lying and dreams of becoming a real boy, *The Adventures of Pinocchio* has entered our collective imagination and fascinated generations of young and adult readers since its first publication in 1883.

THE ADVENTURES OF PIPÍ THE PINK MONKEY BY CARLO COLLODI

WITH COLOUR ILLUSTRATIONS BY AXEL SCHEFFLER

Collodi wrote this story immediately after *Pinocchio*, and the little monkey's adventures present clear similarities, both in terms of themes and characters, with his more celebrated masterpiece. Incredibly, they also share some characters, including a ten-year-old boy named Alfred who was once a wooden puppet.

AROUND THE WORLD IN 80 DAYS BY JULES VERNE

ILLUSTRATED BY ROSS COLLINS

NEW TRANSLATION BY ANDREW BROWN

A huge commercial success on first publication in 1872, Jules Verne's classic adventure story has been adapted numerous times for the stage and the screen, as well as inspiring many real-life adventurers who have sought to emulate Fogg's audacious odyssey.

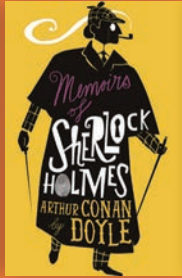

This edition contains extra material for young readers, including a glossary and a test-yourself quiz.
