Spring 2024

DISTRIBUTED IN THE USA BY CHRONICLE BOOKS

Welcome to OUR SPRING 2024 MUDPUPPY COLLECTION!

Here at Mudpuppy, we are proud to announce our new Spring 2024 collection. This season we have been working hard to create innovative puzzles and games that will engage and excite children as well as their families. We have added new formats such as a line of wooden tray puzzles for the youngest puzzlers as well as a new cooperative board game and a coloring & creativity kit. Our new Map of Africa and Map of Asia puzzles offer families an opportunity to spend time together puzzling as well as learning about the various animals, foods, and cultures on these two continents. And did we mention they come with country shaped pieces? These, like all our titles, feature fun, colorful, inclusive artwork created by artist collaborators from around the world.

You may also notice that our logo and "brand look" are evolving. Creating a more cohesive brand statement at retail while continuing to focus on the art (and removing plastic) has been challenging but also rewarding. You will notice a black & white stripe trim on our packages (new and on many reprints) as well as repackaging of some existing product formats to remove as much plastic as possible. Our new look is great for attracting attention at retail as well as being better for the environment. We hope you love our new titles and our new look as much as we do!

Thank you for your continued support of our brand and Happy Spring!

All the best,

Bill

Mudpuppy, President
