Inspiration for modern travellers who are passionate about connecting with the world through experiences, peoples and places

The travel editors at *Fathom* have spent years gathering a treasure trove of recommendations and stories from a network of interesting people who travel well (chefs, novelists, designers, innkeepers, musicians) in places both well-known and off the beaten path. All of these comprise the first edition of this book, which will inspire the traveller in you, no matter what kind of experience you're looking for.

Along with compelling imagery and suggestions, you'll find a clever approach to being a better traveller and global citizen – everything from how to go off-grid and where to go for a once-in-a-lifetime meal, to cool ways to give back and learn more about other cultures.

Pavia Rosati and Jeralyn Gerba launched *Fathom* in 2011 as a women-led travel website that connects passionate travellers to the world's best places, people and products.
