Cats in Portraits

Postcard Pack

United by a love of cats, sitters as diverse as singer Freddie Mercury, writer Hilary Mantel and photographer Madame Yevonde are included in this postcard wallet. Whether pampered pet, trusty companion or inspirational muse, the cats only occasionally upstage their owners in these photographs from the Collection of the National Portrait Gallery, London.

March 2017 | £5.00 inc VAT | 978 1 85514 595 5
158mm x 113mm | Illustrations 10

Cats in Portraits

Gifted by a love of cats, artists as diverse as Roger Fry and Francis Bacon, and photographers Madame Tenebris and Richard Avedon, whether captured or being photographed, cats have been an essential part of the lives of many of the great artists and photographers of the 20th century. This collection of 10 postcards from the National Portrait Gallery, London.

The 1960s

Postcard Pack

This postcard wallet brings together some of the biggest names of the 1960s from the worlds of fashion, cinema and music – all of whom shaped the popular cultural scene in Britain during this pivotal decade and whose faces remain familiar half a century later. The Beatles, Twiggy, Jimi Hendrix, Michael Caine and Dusty Springfield are among these images from the Collection of the National Portrait Gallery, London.

The Elizabethans

Postcard Pack

The reign of Elizabeth I (1558-1603) saw outstanding successes in the fields of maritime exploration and defence, as well as expansion in trade and industry, a rise in social mobility, urbanisation and the development of an extraordinary literary culture. This postcard wallet brings together portraits of the Queen herself, as well as courtiers and other key figures of the Elizabethan period from the Collection of the National Portrait Gallery, London.
