Only a true millennial could answer these quizzes correctly.

Find out if you're a millennial with this book that will separate the avocado lovers from the baby boomers.

You may have been born between 1981 and 1996, but what is Daria's last name? What messenger chatbot could become your bestie on AOL and MSN? What was the MTV show to watch music videos on? Which audio player let you listen to a single minute of a song? And just how many candy canes did Glenn Coco get?

From world events to fashion and the rise of social media, this trivia book has 450+ questions that will determine if you even go here. Dust off your Von Dutch hat, chuck on Gilmore Girls, and get ready for the hardest test since you had to decide if you were team Backstreet Boys or NSYNC.
