

Maria Callas – Images of a Legend. Centenary Edition

Celebrating the singer's centenary on December 2, 2023

On the occasion of Maria Callas' centenary on December 2, 2023, we are publishing our Callas classic in a first-time-ever bilingual German/English edition.

The fascination surrounding Maria Callas, her personality, and her voice has taken on cultic dimensions. Immortalized in countless recordings, her singing still mesmerizes generations who haven't seen her on stage. The story of her life oscillating between splendor and tragedy continues to move music lovers to the present day.

Featuring photographs of stage appearances, portraits, press photos, and private snapshots, a eulogy by legendary German writer Ingeborg Bachmann, and an introduction by musicologist Attila Csampai, *Maria Callas. Images of a Legend* celebrates a unique figure of the opera world.
