SAMPLE COVER

Welcome to the beating heart of the home! From Scandinavian design to vintage style, this book shows what's cooking.

In today's world, the kitchen has become much more than a space for cooking—it's where families gather, friends bond, and memories are made. *Kitchen Interiors* show- cases stunning designs from around the world that are perfect for any kitchen size or style.

From small kitchenettes to grand kitchen islands, this book features the best examples of contemporary kitchen design. Discover how modern applications blend seamlessly with traditional design and how compact kitchens can be transformed with smart storage solutions.

This follow-up to *Kitchen Culture* and *Kitchen Living* delves into the evolution of kitchen design. Learn how kitchens have become the new living room and how they continue to inspire us with their functionality, beauty, and ability to bring people together.

WHAT TO EXPECT

- A comprehensive overview of how the kitchen has developed over time
- A vast selection of home kitchens of different styles and sizes
- Colorful and surprising solutions for a perfect kitchen
- Professional photography showcasing the homes in detail
