Showcasing animals big and small, from beloved pets to friendly beasts, *The Animal Show* helps develop an awareness of the animal kingdom for very young children. Graphic and bold, the illustrations depict various animals going about their daily activities. Intended to support early development, this visual board book introduces monkeys, bears, owls, sloths, and many other creatures, exercising children's comprehension in a way that is simple, fun, and effective. The second collaboration with illustrator Marcos Farina, *The Animal Show* directs the Little Gestalten product range towards minds that are very new to the world.
