## Season Paper Collection

- 100 Writing & Crafting Papers

The second book in the 100 Papers series by Season Paper Collection, the popular stationery brand from Paris, collecting their most up-to-date designs.

Following their first collection, this second book from Season Paper Collection gathers together an even wider variety of new and original designs using flower, animal and landscape motifs. There are 50 pairs of different designs with three different textures: white and silky smooth, cream-colored with a rougher finish and brown craft paper. The writing page side varies from "lined paper with designs" (with 3 different line thicknesses), "unlined paper with designs", "graph paper with designs" and "plain paper". An additional content featured in bilingual text includes a summary of all the names of the designs and an instruction page on how to make an envelope. As with other titles in the 100 Papers series, you can use these papers not only as a writing paper but also to fold, cut, paste, frame and decorate with. Use them however you like!

[about Season Paper Collection]

Season Paper Collection is a stationery brand created by textile designer Julie Costaz and Mélissa Le Vaguerése. The Pair met at l'École Nationale Supérieure de Création Industrielle in Paris. They clicked immediately and, due to their shared love of design, started their own brand, which launched in 2012. The cards, notebooks, memo pads and calendars, designed at their studio in Montreuil, in the suburbs of Paris, are all created based on motifs carefully hand-drawn by the pair themselves. Made using pens, pencils, paint and a range of techniques, the designs vary in appearance. Concern for the environment is also reflected in their choice of materials, which includes paper made from sustainable forests and vegetable-based inks. The delicate, poetic illustrations that make Season Paper Collection products instantly recognizable have captured the hearts of Parisiennes and today their items can be found in boutiques and lifestyle shops throughout France.
