NEW RELEASE INFORMATION

Mushroom Postcards

The best-selling Postcard Book of Mushrooms is now available in an English edition!!

The Postcard Book of Mushrooms, published by PIE International in 2013, with its beautiful botanical illustrations of mushrooms and fungi drawn by European and Japanese naturalists in 18th to 19th century, attracted not only mushroom lovers but also general art fans. These drawings are useful as a research reference but can also be appreciated as fantastic artworks. This new edition features a new cover image and contents in English, making it more familiar and attractive for mushroom and art fans overseas.
